3 Day Workshop

Lighthouse

(Cover of the Spring 2009 A Needle Pulling Thread)

Day 1: Paint on Fabric

In this class, you will learn how to create that very special piece of fabric for this project as well as future projects using water based, non-toxic paints and a variety of embellishment tools. Elizabeth will cover blending and mixing of colours.

Day 2: Raw Edge Appliqué

You will learn my very easy raw edge appliqué technique using steam-a-seam. Never again worry about reversing your pattern.

Day 3: Thread Painting

You will learn the basics on how to free-style and thread paint. This class will show you how to relax and let your sewing machine and mind become one. This class will help you develop your own technique of free style quilting and thread painting. Stippling will be a part of the class.

\$200.00 per Student. **\$60.00** for kit.

(Lunch provided for all 3 days)
